2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Principal's Message

Mabel L. Pendleton Elementary School's staff is committed to implementing an intensive, balanced, standards-based curriculum to ensure each child's success. This annual report card to the community will share valuable information about our instructional programs, academic achievements, school facilities, safety, highly qualified staff, textbooks, and finances compared to other schools and districts in the state.

A special emphasis is placed on providing an instructional program designed to boost student confidence and increase subject matter proficiency. Staff and parents work together to create a learning environment that has high expectations, promotes students' academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and program and welcome all to support our efforts. Students are given access to technology that offers connectedness on a global level in order to encourage the broadening of personal horizons.

Pendleton Elementary School embraces the Buena Park School District's goal to "have all students reading at grade level by 3rd grade."

Mission Statement

The Pendleton School community is dedicated to developing lifelong learners and productive citizens through a rigorous standards-based program which will maximize each student's potential.

School Profile

Mabel L. Pendleton Elementary School is located in the eastern region of Buena Park and serves students in grades preschool through fifth following a traditional calendar. At the beginning of the 2021-2022 school year, 386 students were enrolled, including 21% in special education, 32% qualifying for English Learner support, and 85% economically disadvantaged.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On Monday, September 13, 2021, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #21-15: Pupil Textbook and Instructional Material Compliance 2021-2022 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of September, 2021.

School Facility Conditions and Planned Improvements

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day custodians, and one full-time evening custodians are assigned to Mabel L. Pendleton Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning
- Restroom cleaning
- Cafeteria cleaning
- Main office cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues. All classrooms, restrooms and common areas are sanitized daily with the use of peroxide based cleaning agent and electro static sprayers, Special custodial cleaning crews are also utilized to immediately sanitize any areas on campus that had student or staff test positive for covid-19. Additionally all staff receive (Healthy School Act Required Annual Training) this training then gives each person the legal ability to personally use the TRU-SHOT disinfectant hand held sprayers in their own work areas for added protection.

Facilities Inspection

The district's maintenance department inspects Mabel L. Pendleton Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Mabel L. Pendleton Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on December 10, 2021. Deficiencies are noted in the school inspection survey, and corrected in a timely manner by the Districts maintenance department. During the fiscal year 2020-2021 all restrooms are fully functional and available for student use. The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Mabel L. Pendleton Elementary School's original facilities were built in 1961; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Install electronic gate, install asphalt next to P-32, remodel P-25, install field fencing screen, paint parking lot curbs, replace a/c unit in P-22, add window in nurses office, remodel small office, replace a/c in psychologist office, remodel library shelving, assemble and install new tables, assemble and install kinder picnic tables, replace all exterior drinking fountains with bottle fill stations
- Annual Preventive Maintenance includes; staff ID badges, replace air conditioning filters with merv 13 rated filters, test fire alarm system, service fire extinguishers, service backflow devices, trim trees, deep clean campus, replace basketball nets

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The goal for 2021-22 school year will be to increase participation via Zoom in our parent teacher groups for PTA, SSC, and ELAC. We will be reaching out to families to boost parent participation. Campaign drives for recruitment to PTA have been increased. We will coordinate with our district Ed. Services Department to offer information to our parents on literacy support at home via Foot Steps to Brilliance, Accelerated Reader, and iReady in the primary grades. In addition, all of our parents will have the benefit of having information given to them by Ed. Services Department for ELD support.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.15	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Mabel L. Pendleton Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in December, 2021. A new version of the School Safety Plan will be completed and reviewed in 2022.

Professional Development

Over the past three years, professional learning for the Buena Park faculty has been aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS) and Pendleton Elementary's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths along with specific areas of need. Using site surveys, combined with data analysis from state assessments and District benchmark tests, a district-wide focus for increasing academic proficiency levels for all students is planned.

On-site Professional Development: Every week, teachers are provided professional development opportunities in the areas of instructional strategies, assessments, and curriculum planning. During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and designed to meet the specific needs of Pendleton Elementary students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with the implementation of district-wide initiatives including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by literacy consultants, Pendleton's Cotsen Mentor Teacher, and the District Literacy, English Learner, and Tech TOSA.

Pendleton Elementary School staff participated in the following professional learning activities over the past three school years:

- Zoom
- Seesaw
- iReady
- Google Meet
- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
